INDEPENDENT CONTRACTOR AGREEMENT

Contract # 14-WA-35

This agreement is entered into by the Town of Scituate (the Town) and Holland Company Inc., Adams, MA. an independent contractor (the Contractor) on this 20th day of May 2014.

The Contractor covenants and agrees to supply the Town with Aluminum Sulfate, liquid 50%, AWWA B403 at $0.09 per gallon. As outlined in the Eastern Massachusetts Chemical Cooperative Bid.

This contract will supersede all other contracts with regards to this work and become binding.

The Contractor understands that there is not a maximum or minimum value to this contract it is all based on unit price and based on the Town's needs. All quantities in the bid package were for estimate only.

All material to be of first quality and fit for the ordinary purpose for which it was intended and as outlined in the bid package. The contractor shall submit to the Town submittals that must be approved before any delivery takes place.

It is understood that this Agreement constitutes the entire understanding between the parties and no department head, supervisor, or agent of the Town has any authority to modify, alter or amend this Agreement. This Agreement may only be modified by a written agreement signed by the Contractor and the Town Administrator or Board of Selectmen.

The Agreement may be terminated by either party by written notice to the other party; provided, however, if this Agreement requires the Contractor to complete a specified contract at an agreed upon price, Contractor may not terminate without the Town's consent. Upon such termination, the Town shall be without obligation to make further payment pursuant to this Agreement except for such period as the Contractor shall have performed satisfactory work. In the event of breach of this Agreement by the Contractor, the Town shall be entitled to recover all damages, including consequential damages, plus reasonable attorney's fees and expenses.

Independent Contracto ement

The parties agree that the ractor is an independent contractor. The Contractor shall bear all financial respons ty to his agents and/or employees, maintain all records required by Federal. M husetts and local laws and regulations, assume full responsibility for payn of all adequate unemployment insurance, workers' compensation insurance ral, Massachusetts and local taxes and social security contributions. Contrac furnish evidence of public liability insurance and motor vehicle insurance, if appro e, in amounts and with insurance carriers acceptable to the Town.

Contractor shall indemnif hold the Town harmless against claims by anyone for any breach of the terms of ement or any injury, or damage caused in whole or in part by Contractor or any o ts, servants or employees.
