Patrice provided an updated that the Mass Cultural Council has once again renewed our grant of \$15,000 which is great news!

Introductions were made by the group to our newest member, Marc Choquette. Marc is relatively new to the town (1.5 years) and is interested in contributing to the arts. He works for the Boston Globe.

ArtWalk:

ArtWalk is October 6<sup>th</sup> and it's time to rally business participation. Marie provide a listing of businesses and provided an update on who she has spoken with. Patrice will split up the list and email everyone to visit businesses to promote the event and encourage participation. We still need several artists.

Ken Swart has been able to obtain approval from Gerry at the music store to host a live band in the "alley" in between his building and Hibernian.

The board discussed ordering more ArtWalk flags so that all the businesses can fly the flags during the event. Marie is also working on posters.

Marie wonders if the Historical Society could have a presence?

The harbor kiosk installation is still stalled but Michele will continue to work on this. The town put out a request for bids so we'll see what happens.
