5. 3-5 Year Plan: Further collaboration needed; will work on together at the next meeting.
6. Signage: Lacking at all beaches. Possible signs are removed in winter (but unlikely).
 - Signs we would like to see:
 - Beach Name (possibly two identification signs: basic metal and a wooden decorative)
 - Keep Off Dunes
 - Trash rules / reminders
 - Dog Rules (with dog poop bags)
 - Parking Permit Info
 - Goal = Consistent signage in good repair
 - Consider a welcoming message / quote / slogan
 - Consider trash pick up buckets (similar to Sandy Beach in Cohasset)
 - *** Andrea to research dog bags (who is filling, where located)
7. Beach Stickers: postpone discussion until next meeting
8. 1st Cliff Access: postpone discussion until next meeting
