

Town of Scituate Charter Review Committee August 16, 2021

In Attendance: Karen Canfield, Bret Bilyou, Andreas Vietor, Raymond Voelker, and Lincoln Heineman. Minutes from the previous meeting were accepted.

Meeting called to order at 6:02pm, motion to accept agenda unanimously passed.

Recommendations from Committee following discussion on each topic:

7-10 (b) Shall remain as written.

7-10 (g) To be removed entirely.

7-11 (b) 24 will be changed to 48 hours, consistent with state statute. Any updates must be posted to the town bulletin.

7-12 In the first sentence, removal of "good cause".

8-4 To be removed completely.

Other Discussion:

With Mr. Heineman leaving the committee, his position will not be replaced because Committee feels that the substantive debate is nearly complete and bringing a new member up to speed would not be productive.

Discussed importance of a formal chair to lead through the public outreach portion of committee work. To be voted next meeting.

A written summary of recommendations will be created to simplify redline revisions. Ms. Canfield will draft for committee review.

September 13th Online 6:00 Review Open Issues meeting - Current redline will be reviewed at this meeting. Assign committee liaison assignments, as well as release to the department heads.

October 12th Review final redline

Meeting adjourned at 6:51pm

Respectfully submitted, Bret Bilyou
