Scituate Recreation Department Office
327 First Parish Rd., Scituate MA

In attendance:

Mike Connor, Sheila McCourt, Matt Chase, Dave Mahery, Nick Lombardo, Shawna Burkhardt

MINUTES

Meeting called to order at 6:00pm

February 2023 meeting minutes

Approved, all in favor

- Update and discussion on new 90 ft baseball field at Central Field. Started off a little behind schedule, but things are shaping up.
- Discussion of turf lights. Recreation and the Scituate High School split a back bill from National Grid of \$79,000.00 for the turf field lights. This is on top of the monthly bills that Recreation has been paying for. Groups are charged \$25.00/hr to pay for the lights. Though this is not covering the total bill each month. The Commission believes the Town should be helping out with the payment and for it not to solely fall on Recreation to pay the remainder of these balances each month. There needs to be a discussion had as Recreation cannot continue to have this bill taken out of the field account every month.
- Introduction of new Assistant Director Shawna Burkhardt
- Spring/Summer update on programs, staffing, lifeguards, fields, beaches.
- Beaches will be staffed tentatively starting June 16th.
- Summer programming starting the week of June 26th

6:40pm adjournment, all in favor.

Next meeting 6/21/23, 6:00pm
