Cedric Musso
Councilman, Sucy- en- Brie
France

Dear Councilman Musso,

Bonjour from Scituate! We heard the exciting news that you are becoming the Assistant to the Mayor of Sucy-en-Brie and as such, will no longer be the official representative for our Sister City relationship. We wanted to extend our sincerest congratulations and to thank you for your dedication to our prosperous relationship over the years.

Ten years ago, we forged our friendship pact, to create an alliance in which we pledged "to respect the relationships which have been established between our two countries, to maintain permanent ties between the governments of our towns in order to dialogue, exchange our experiences and to implement to the best of our ability every joint action, capable of mutually enriching the citizens of our towns; and to promote, through our exchanges and our cooperation, the universal values of liberty, democracy, equality and a state of law". This pact has been honored through our adult delegations and student exchanges which continue to grow and foster between Sucy-en-Brie and Scituate. We are grateful for our friendship, and hope to share future experiences with the City of Sucy-en-Brie. Cedric, we wish you all the best in your new role.

Warmest Regards,

James Boudreau
Scituate Town Administrator
