## Agenda

**Thursday, May 30, 6:30 PM at the Scituate Library, 85 Branch Street**

### **Discussion – Wastewater Treatment Facility Resiliency Study**

- The Town of Scituate is conducting a feasibility study to evaluate the vulnerability of the Town's Wastewater Collection and Treatment System to coastal flooding and to identify a resilience strategy and measures. The focus of this meeting will be to present the results of the flood hazard characterization and vulnerability assessment. The flood vulnerability assessment will include an overview of the vulnerable structures, systems and components to current and future coastal flood hazards. A future public meeting will present recommendations.
