

**Notice of Meeting CANCELLATION**  
**Waterways Commission Meeting**  
**Wednesday, April 1, 2020**

**PLEASE NOTE – The Wednesday April 1, 2020 Waterways Commission Meeting has been cancelled due to conditions surrounding COVID-19.**

**Protecting the health, safety, and well-being of our Community is paramount, and serves as the reason for our decision to cancel the WWC April meeting. The WWC also took into consideration the State of Emergency issued by the Governor, as well as guidelines published by the CDC, NIH and White House to limit groups to no more than 10.**

**In addition, the Scituate Town Administrator’s recent communication indicated: “...As a practical matter, over the next few weeks as the impact of the situation becomes clearer, there are probably very few instances where local Boards need to meet.”**

**Should anyone in the Community require assistance before our next meeting, please contact either the Waterways Chairman (Brian Kelly [bkelly317@gmail.com](mailto:bkelly317@gmail.com)) or the Harbormasters Office.**

**The Waterways Commission wishes the best of health to everyone during these difficult and trying times. Please be safe.**
