**NEW BUSINESS**

**OLD BUSINESS**

**DIRECTOR'S REPORT**

January 31, 2022

15 sets of plans under 45 day review

Waiting on 13 as built plans

5 waiting for Engineer revisions

9 waiting Conservation review

22 in failure

So we are starting to see the covid cases in town come down.

We are still at a 16% positive rate over the last two weeks.

The Town is 84% vaccinated. Shots are still available at local pharmacies.

We continue to work closely with all of the departments and businesses in the town to answer questions about ever changing I % Q requirements.

Scituate BOH has done several Booster clinics leading up to the Christmas and New Years,

I think close to 250 at the senior center. We are not currently planning to do any in the near future.

We gave out close to 500 flu shots this season and still have some available.

Permit eyes is up and running and if you ask me it went very smoothly.

I had nothing to do with it, Joan and Theresa along with the vendor did all of the heavy lifting.

Any trouble shooting was fixed by them, I can't say enough.

## **OTHER BUSINESS**
