-Reviewed and accepted 12/15 minutes.

-Confirmed DPW, Recreation Department and Animal Control for the February meeting.

Review: General beach boundaries/further research & what is being guarded. Reviewing what our charge is and what is going to be our commission responsibilities. Review a few short term projects such as a beach survey. Recreation Department budget is being reviewed, we will be taking this budget over next year since this year is already complete and funding allocated.

-Conversation regarding public and private beaches, access points, lifeguards and amenities. Where can there be improvements?

-M. Glancy stated the Rec. Dept. is attempting to get a trial canopy for the beach. A bench and cover so residents can have a shade area at the beach. Where would they go? Cost? CPC?

-Reviewed the survey idea more and what it would contain. Survey Monkey is best bet. Put link into the Rec. Dept. spring brochure and on beach area Facebook pages. Need to find out how Town Hall handles this and if we need a separate account. Also, need to contact Bill (IT) and make sure our home page is set up.

9:35 Meeting adjourned.
