

Hello Scituate!

The vulnerable Pier 44 site is slated to be transformed into a resilient waterfront park with universal access to mitigate the impacts of sea level rise, storm surge, and inland flooding. The Town of Scituate is working with landscape architects, architects, and engineers to bring this vision to life and **we want your input!**

Get involved by...

Fill out the Online Survey to tell us what you want to see!

Either use this QR code or go to <https://linktr.ee/ScituateHarborPark> to take our survey and stay up to date!

**Talk with the designers and Town staff at the
Public Information Sessions:**

SCITUATE LIBRARY COMMUNITY ROOM

TUESDAY, MARCH 7

11:00 AM or 7:00 PM
