

## **ABSENTEE BALLOT AND EARLY VOTING BALLOT INFORMATION**

The Town Clerk's office is processing ballots for mailing to voters who requested an absentee ballot or a "Vote by Mail" ballot. This office will endeavor to mail out ballots as soon as possible, however due to heavy volume ballots may be sent out in batches. This office is receiving many "Vote by Mail" cards from "Unenrolled" (No Party) voters who check off "All Elections" yet are not checking off their ballot choice on the card. This office cannot send State Primary ballots to Unenrolled voters who don't inform us of their ballot preference (listed on the card). Please remember to return your ballot promptly. All ballots will be cast on election day.

Thank you.
