RE: Erection of Political Signs

Dear Candidate:

It is my understanding that you are a candidate in the fall elections. As a candidate, I wish to clarify when you may erect a political sign for the fall election. At this time, the Town is in the process of revising Section 710.1(D) of the Scituate Zoning Bylaws governing the erection of political signs. As you are aware, the primary elections will be held on September 4, 2018. It is the Town's position that any political sign for the general election, regardless of affiliation, may be erected on September 5, 2018, the day after the state fall primary elections and may remain up until three days after the full general election.

I hope this information is helpful. Please do not hesitate to contact the Town Clerk's office if you have any questions.

Regards,

Robert B. Vogel
Building Commissioner, Zoning Enforcement Officer
