[Join us online](#) February 26, 12-1:30 PM EST, for a *Virtual Neighborhood Gathering!*

This *Virtual* Neighborhood Gathering is for anyone who is unable to attend a gathering in person! It will focus on imagining our coast in 2070 and describing the community we want to see. It is one in a series of conversations supported by the Coastal Advisory Commission to map out a vision for Scituate's coast. Our discussion will help inform a vision document that the community can look toward as we make important investment and planning decisions in the coming years.
