PRESS RELEASE:

The Scituate Health Department is pleased to announce that we again will be hosting Dana-Farber's Mammography Van on Thursday, September 13, 2018, from 7:30 AM to 3:00 PM. If you are a woman age 40 and older and would like to schedule an appointment, please contact the Mammography Van office at 617-632-1974. Dana-Farber, with your permission, will obtain your prior mammography films/images, making the process very user friendly.

The Van will be parked at St. Luke's Episcopal Church, 465 First Parish Road, Scituate, which is across from Town Hall at the corner of Route 3A and First Parish Road.

The Van offers both convenience and outstanding service. It possesses a valid license and certificate of inspection issued by the Massachusetts Department of Public Health. Screening mammograms will be performed by Dana-Farber mammography technologists and read by Dana-Farber board-certified radiologists.
