

Scituate Police Department Summer Safety Guidelines ~ 2021

Bonfires are not allowed. Small cooking/campfires must conform to MGL guidelines including maximum 3' diameter and 16" in height. Non-compliant fires will be extinguished by SFD and individuals could face fines.

The consumption of alcohol is not allowed on any public way, town property or beach; or on private property without the consent of the owner or person in control of the property. Violators could face civil and criminal penalties; including arrest.

The consumption of cannabis is not permitted in public places. Violators could face civil penalties.

Underage consumption of alcohol and/or cannabis is illegal and will be strictly enforced. Violators could face civil and criminal penalties; including arrest.

Fireworks, including sparklers, are illegal in Massachusetts. Violators could face civil and criminal penalties.
