Re: Reduction in amount of funding request for Hart Park Benches

Hello CPC Members,

This purpose of this letter is to confirm that we are reducing our funding request from \$6,000 to \$5,600 for the Hart Park Benches Project. The Cedar Point Association will contribute \$400 toward the purchase of the benches which is about 10% of the purchase price. The Association, which is the neighborhood around Scituate Lighthouse, has, for many years, helped maintain Hart Park which is the entrance to Cedar Point so I feel it is appropriate that we continue that spirit of cooperation by making this financial offer. If your committee has any questions about this project feel free to contact me.

Sincerely,

David Ball
