**RE: Beach Sign Project Request to the Community Preservation Commission**

November 10, 2022

Dear Town of Scituate Community Preservation Commission,

On behalf of the Recreation Commission, I am writing this letter to support the proposed Beach Commission request for Beach Signs.

The Recreation Commission met and voted unanimously to support this project.

Because this project offers a recreational atmosphere and will help identify the Town of Scituate Beaches, including most of the staffed public beaches use by the Town of Scituate's residences and visitors, we feel this will be extremely beneficial to the Town of Scituate.

Sincerely,

Michael Connor  
Chairman

Re: Beach Commission Application

Dear Mr. Fennelly:

I am writing this letter to express my support for the Scituate Beach Commission's application for signs to be installed near the entrances to the Town's beaches. The signs will help to beautify the entrance to the beaches and instill a sense of community and stewardship among beach users.
