Summarize how this request benefits the Town of Scituate and meets the goals of the Community Preservation Act.

There are hundreds of youth and senior softball players that utilize the Central Field softball fields on a regular basis. The current field conditions are a combination of unsafe, not to required regulations, and in dire need of repair. This supplemental request is to properly renovate these two fields as to ensure safe and proper usage and enjoyment of these valuable town assets.

#### PERMITS AND APPROVALS

What permits and approvals are required? Have they been obtained or have you filed for them?

Name of Permit	Filed? (Y/N)	Filed (Date)	Obtained (Date)

Have you met with any other Town Boards or committees? If so, what were the outcomes of those meetings? *(Letters of support from other Boards and committees should be included in the application or supplied at a later date.)*

Recreation Board voted unanimously to support.

Notes:

What non-financial support and services are necessary, and how will these be provided?

#### FUNDING

Describe the proposed funding for this project. Identify other sources you are seeking funds from, and whether those funds are secured. Identify any funds you or your organizations are willing to provide.

The originally approved CPC funding was for the amount of \$139,000. With the cost increases over the years since the original funding along with added design, engineering, and over site costs that have since needed to be added to this project, additional funding is required. From the original request, \$28,145 has been spent and earmarked for professional design and engineering reports to be produced, these were previously thought to be created by the town's DPW department. Also, the scope of renovations has increased to properly address the dramatic drainage and grading issues. The revised estimates also include full backstop and safety fencing replacements, proper field dimension sizing, proper team bench areas, and adjustable pitching/base locations that will support the various groups who utilize the fields. The support structure has been moved to it's own CPC request project given the complexity and cost budgeting required for both aspects of the full Central Park Renovations.

#### OTHER COMMENTS

Provide any other information you think the CPC should be aware of in evaluating your request for funding.

The recreation commission returned \$419,000 in CPC awarded funds that was earmarked for new softball fields at the Scituate High School. With the new Middle School construction occurring in the location as the proposed location, that project needed to be withdrawn and funds that were allotted returned to the CPC account.
