#### Scituate Harbor

Scituate Harbor is the "Heart" of Scituate with shopping, dining, entertainment, services, fishing and boating! First Friday Nights is a harbor-wide year-round event. The first Friday night of every month, the businesses stay open late and host music, authors, artists, and special events. Ir May, Scituate Harbor Art Walk takes place on the First Friday Night, as well as the next day on the first Saturday of the month. Harbor businesses open their space to the local arts. Artists, musicians, craftsmen and performers bring and display their work in the harbor.
