Summarize how this request benefits the Town of Scituate and meets the goals of the Community Preservation Act.

These 3 mile markers are a part of the towns connection to the landing of the Pilgrims in 1620. They mark the original roads from Plymouth to Boston with 3 of the 85 markers being in Scituate. With the 300th anniv. of the landing of the Pilgrims coming up next year, it would be nice to get them restored to their original state
