## Question 3:

The Two Plaques project is consistent with several of the Community Preservation Committee goals under Historic Preservation.

All three of the goals under Historic Preservation are met by the Two Plaques project. The historic nature of each plaque would be preserved for the enjoyment and the education of townspeople and guests.

Question 6:

The cost of this project was established by restoration expert used by the Scituate Historical Society in the past. He asked to evaluate each plaque. The documentation is included with this form. Oversight and unanticipated costs were added to the figure suggested by the evaluator.

Question 8:

The Two Plaques project is consistent with several of the Scituate Community Goals.

The Two Plaques project would help preserve the essential character of the Town. These are public works of art that speak to the steadiness of Scituate residents and to their devotion to their past. The project is practical and can be implemented expeditiously. This is a project that is limited in scope, yet has an outcome that is significant. This is consistent with Goal six. This project clearly enhances currently owned Town assets making it consistent with Goal ten.

# REPORT OF THE EDWARD FOSTER MEMORIAL BRIDGE TABLET COMMITTEE

Authority:—Article 57, in Warrant of Annual Town Meeting, Town of Scituate, dated March 2, 1931.

Committee appointed at same meeting by Moderator, Dennis H. Shea.

Dr. Robert T. Stearns, *Chairman*, Mrs. Foye M. Murphy. Mr. George H. Otis.

- 1. An appropriation of \$500.00 was available from the funds of the EDWARD FOSTER MEMORIAL BRIDGE COMMITTEE for tablet construction.
- 2. Begining April 13, 1931 the Memorial Tablet Committee held several meetings. It was decided to employ a local artist or sculptor, if available, to produce the tablet; and Mrs. Cora D. Overland, sculptor, of Egypt was selected and requested to submit designs.
- 3. Choice and approval, after several interviews and changes, resulted in the production of a simple classic design in Greek motif, of appropriate size and shape and bearing a suitable legend.
- 4. Location of tablet to be on the roadway side of the base of the right hand pillar at the westerly end of the bridge.
- 5. The actual erection of the tablet in its place to be done by the Memorial Bridge Committee, and the duties of the Memorial Tablet Committee to end with the delivery of the finished tablet to the Memorial Bridge Committee.
- 6. Several delays and difficulties occurred and it finally became evident that some increase in the appropriation would be necessary to complete the work. This increase was granted by

the Memorial Bridge Committee thus raising the final cost to \$600.00.

7. The memorial tablet in completed state was delivered to the Memorial Bridge Committee on October 8, 1931.

ROBERT T. STEARNS, MRS. FOYE M. MURPHY, GEORGE H. OTIS, Committee.
