Dear Community Preservation Committee:

As a member of the Scituate Harbor Cultural District Committee, I wish to offer support of the Cole Parkway Harbor walk and Morrill Bandstand Improvement Project. The goal of the Harbor Cultural District Committee is to increase visitors to our cultural district and proudly display our coastal community. One of the ways we hope to accomplish that is by hosting weekly musical/artist events at the Morrill Bandstand. The bandstand is a focal point of Scituate Harbor and is in dire need of repairs. This project would elevate the entire Cole Parkway Harbor walk area and offer a welcoming spot for residents and visitors to enjoy for years to come.

I hope you support the application to renovate the Cole Parkway Harbor walk and Morrill Bandstand.

Thank you.

Sincerely,

A handwritten signature in black ink, appearing to read "J.M. Boudreau", is written over the printed name and title. The signature is fluid and cursive, with a long horizontal stroke extending to the right.
