Re: Moving Mile Markers – Scituate/Cohasset line

Dear Mr. Rosenquist:

The Town of Scituate's Department of Public Works is in support of the relocation and restoration of 3 of Scituate's historic mile markers. The preservation of these markers are important for Scituate's historical significance as well as adding beauty and visibility to the 3 markers.

Thank you for your efforts!

Sincerely,

Kevin Cafferty
Director, DPW
