<u>The Scituate Historical Commission is applying to the Massachusetts Historical Commission for</u> <u>a Survey and Planning grant in the amount of \$10,000. There is a 50/50 match requirement</u>

_and we are seeking funding the Scituate CPC for \$10,000 as a match to the MHC Surveying and

Planning grant. There are currently 1,018 Scituate buildings in the MACRIS database and additional funding will for the surveying of 100-150 buildings that are being identified, but not yet recorded. The surveys provide researched data and historical analysis to determine historical

significance of a building and a permanent record with the Massachusetts Historical Commission.

This is an update to the original application requesting \$5,000 additional CPC funds due the larger grant award
