### SCITUATE BOARD OF HEALTH APPLICATION FOR A PRIVATE WELL PERMIT

Please refer to the Scituate Board of Health Private Well Regulation and the Board of Health Checklist for installation, repair or decommissioning a private well.

The application for Well Drilling Permit is located online.

**Click here to log into an existing account or to create a new account:**

<https://permiteyes.us/scituate/loginuser.php>

Log into Permiteyes with your username / password credentials, then click on the application you want to submit. When your Application is submitted, you may attach any important documentation (well driller license, insurance, engineering plans) using the PAPERCLIP icon.

Once you submit your application, the Board of Health will get back to you with your fee you can pay online.

Once the application fee has been calculated by the Board of Health, click on the "pay now" button to make an online payment transaction. An online payment transaction interface will open and clicking on the submit button will redirect you to the banking portal to complete your online payment.
