MORTAR (Trench) On Lawson Park Common

From 1920 Town Report - "Report of Welcome Home
Committee"

"Through the efforts of the Grand Army and the
Board of Selectmen, two large trench mortars were
secured from the Government and have been put in
place near the point of the park which is formed
by Central and Willow Streets."

Respectfully submitted

Thomas W. Lawson, Chairman
(over)

There were two brass identification plates, one attached to each mortar. By 1989, one of these was missing.

The plates, in effect, stated:

Manufactured in 1895
