Cushing/Hatherly MSBA New Building Project Update

- Upon successful conclusion of procurement of Owner's Project Management and Designer services the District and its team collaborate with the MSBA to document their educational program, generate an initial space summary, document existing conditions, establish design parameters, develop and evaluate alternatives, and recommend the most cost effective and educationally appropriate preferred solution to the MSBA Board of Directors for their consideration.
- The **MSBA Facilities Assessment Subcommittee (FAS)** meets to hear district presentations regarding proposed projects and provide feedback to districts before the project is presented to the Board of Directors for a vote.
- Our district met with the **MSBA FAS** last week to present information, answer questions and receive feedback about the project in advance of the Board meeting at which the project vote will occur.
- Upcoming Meetings: **School Building:** Wed. Oct 18, 5:30 pm, SHS Harbor Conference Room. **Public Meeting:** Wed. Dec 6 6:30 pm, Hatherly
- Please visit scit.org and click on the “community” link to learn all about the new building project.
