**PLEASE RETURN THIS FORM TO THE DEPARTMENT OF PUBLIC WORKS**

All work performed within 100 feet of a traffic signal will be subject to review by the Traffic Safety Committee.

The contractor will be required to complete a street opening permit if the roadway will be disturbed.

Any curb openings in the zone of influence of the Railroad will be subject to review and approval by the MBTA

Modifications to sidewalk will meet all ADA requirements and may be subject to review by the Scituate Disabilities Commission
