The ***Office of Scituate Animal Control*** advises everyone to be proactive and make their own preparedness plans as we anticipate a possible hurricane this weekend.

Please! Be sure your pets are included in your family's emergency plans.

If you live on the coast and face possible evacuation, YOU ARE URGED have a plan for your animals too.

You are invited to visit the Red Cross link below for specific instructions.

<http://www.redcross.org/www-files/Documents/pdf/Preparedness/checklists/PetSafety.pdf>

Feel free to contact me if you have questions.

Thank you and remember: ***A person who plans for disaster is going to be far more able to safeguard themselves and their companion animals.***
