

TOWN OF SCITUATE

Traffic Rules and Regulations Committee **Meeting Minutes February 21st, 2023 – 4:30 PM** **Location: Town Hall-Select Board Hearing Room**

1. The meeting was called to order at 4:33 PM. In attendance: TRRC Members William Sestito, Sean McCarthy, Bill Schmid, Dottie Cook, Toby Britton and liaison Ann Burbine.
2. January 3rd meeting notes were accepted.
3. A resident asked if a speed bump could be put on Rachel's Way. Since it's a private road, the Town does not have authority to make the decision on this subject matter.
4. Each member has completed the required Ethics Training.
5. There are no updates on Pier 44 Redevelopment as there are two meetings scheduled for March.
6. Regarding 33 & 61 New Driftway, the engineer for the project came back with their responses to our comments. The TRRC was not satisfied with the responses as there were no rebuttals or adjustments made to a number of the recommendations the committee had proposed. The group will discuss how to move forward on this topic after meeting with the Planning Board.
7. Beaver Dam Road/Lawson Road - A traffic engineer has been hired to review the area and make recommendations for pedestrian improvements.
8. Adjournment: Motion was made and seconded to adjourn at 5:44 PM. (*All present members were polled. Vote: unanimous*).

Respectfully Submitted by Christine Gillis
