

# Scituate *Recycles Smart!*

**Scituate DPW** is partnering with **South Shore Recycling Cooperative** to help you *recycle smart*. Scituate saves money if its recycling loads are not rejected because of improper content.

Over the next several weeks, friendly SSRC staff will be at the transfer station to ensure that residents understand and comply with Scituate's recycling regulations and *recycle smart*.

 **RECYCLE**  
THANK YOU FOR RECYCLING THESE:

## Plastic Containers

Rinse, replace cap

## Cans
