RECEIVED

2017 FEB - 6 AM 9:26

TOWN OF SCITUATE
TOWN CLERK

Decision of the Scituate Zoning Board of Appeals on the application of Peter Zaccardi of 37 Moorland Road, Scituate, MA, for a Special Permit/ Finding under M.G.L Chapter 40A, Section 6 and/or Section 470.6F and/or 810.2 of the Scituate Zoning Bylaw to allow the razing and reconstruction of a pre-existing, nonconforming single family dwelling on a pre-existing, nonconforming lot at 40 Peggotty Beach Road, Scituate MA (Assessor's Parcel 55-7-10).

The application was received, advertised, and a public hearing was duly held on December 15th with the following members of the Zoning Board of Appeals hearing the application:

John Hallin, Chairman
Sara Trezise
Edward Tibbetts
Anthony J. Bucchere, Alternate

The property is located at 40 Peggotty Beach Road, Scituate MA and is owned by Peter Zaccardi and filed with the Plymouth County Registry District of the Land Court as Certificate No. 96151, Document No. 752587. The Applicant was present and represented by Greg Morse, Registered Engineer, of Morse Engineering.

The building on the property is a single family home containing 1,212 square feet which according to Town Assessors' records was constructed in 1930, prior to the adoption of the Scituate Zoning Bylaw. The property is located in the R3 residential zoning district and also lies within the Town of Scituate Flood Plain and FEMA Flood Zone VE (17) per F.I.R.M. maps approved October, 2016. The existing Lot Area, Lot Width, Front, Side, and Rear Yard Setback are non-

conforming but pre-existed current zoning requirements and are therefore legally non-conforming.

The application seeks approval to allow the razing and reconstruction of the dwelling as per plans submitted by the applicant, drawn by Morse Engineering Co., Inc., 19 Union Street, P.O. Box 92, Scituate, MA 02066, entitled "Site Plan 40 Peggotty Beach Rd, (Assessor's Parcel 55-7-10) Scituate MA" and dated/revised 12-15-16 (The "Plan"). The Plan shows a proposed single family dwelling containing 2,732 square feet representing an increase in square footage of 125%. The proposed dwelling will not create any new non-conformities. The lot area and lot width nonconformities will remain unchanged.

After reviewing the application and hearing testimony from the applicant, building inspector and abutters the Board FOUND the following:

- a. That the proposed dwelling if constructed per the Plan will not create any new non-conformities;
- b. That to the extent the proposed dwelling intensifies any existing nonconformities, such intensifications will not be substantially more detrimental to the surrounding neighborhood.

Also the Board voted to GRANT a Special Permit under Section 470.6F of the Bylaw and found that the proposed dwelling if built in accordance with the plan will meet the requirements 1-3 of said section.

Based on the forgoing the Board unanimously voted to GRANT the application to permit the razing and reconstruction of the proposed dwelling per the Plan.
